Choosing your home at sea.

You have a choice of five types of accommodations, as shown to the right. Plus, you can choose the location that best suits your needs. Depending on your preference, you can be on a higher deck, closer to the pool area, more conveniently located to your dining room, steps away from the duty-free shops or — if you're a parent — nearer to the children's facilities. The price to upgrade to a higher deck is surprisingly affordable. We also have connecting staterooms for families and groups of friends.
